From its stunning lakes and forests, to its quaint downtown with some of my favorite restaurants, there really is no place like home.

I've been lucky enough to travel all over the world over the last 10 to 15 years. I've spent days and nights roaming some of the most beautiful places on earth. Yet when I have a day off, or just need to get away, there's no better place I can think of than Pittsfield, and I couldn't be happier to call it my home.

Living downtown has given us the chance to really experience Pittsfield's finest, all within walking distance.

We're always just a stone's throw away from some of the area's best food, best drinks, and great entertainment.

We love going to Dottie's for coffee and breakfast, Shiro or Marketplace Cafe for lunch, Pancho's for Taco Tuesdays or Flavours for delicious curry, and we always top the night off at Thistle and Mirth.
